OBJECTIVE

An enthusiastic Computer Science Engineering student at ABES Institute of Technology with a strong foundation in programming, web development, and problem-solving. Eager to apply skills in C, Python, HTML, CSS, JavaScript, and MySQL to contribute to real-world IT projects through an internship or entry-level role, leveraging technical expertise and a commitment to continuous learning.

EDUCATION

B.Tech — Computer Science Engineering	2025 – 2029
ABES Institute of Technology, Ghaziabad — Pursuing	
Class XII — Science (PCM)	2024
Rana International School CBSE Board — 81%	
Class X	2022
Rana International School CBSE — 93%	

TECHNICAL & SOFT SKILLS

Programming Languages	C Programming, Python, JavaScript
Web Technologies	HTML5, CSS3
Database	MySQL
Tools & Other	AI Tools, Video Editing, Academic Research
Soft Skills	Analytical Thinking, Team Collaboration, Communication, Time Management

PROJECTS

Simple Calculator	HTML · CSS · JavaScript
- Designed and developed a fully functional browser-based calculator supporting addition, subtraction, multiplication, and division with a responsive, clean interface. - Implemented real-time input validation and error handling using JavaScript, ensuring a smooth and intuitive user experience across devices.	
Landing Page for a Modern Restaurant	HTML · CSS
- Engineered a visually appealing, restaurant landing page featuring categorized menu highlights, pricing layout, and an intuitive navigation structure. - Crafted a friendly UI using Flexbox and CSS Grid, ensuring consistent and professional rendering across all screen sizes and browsers.	

CERTIFICATIONS

Infosys Springboard — C Programming Certification	Infosys 2025
Infosys Springboard — Python Programming Certification	Infosys 2025

ACHIEVEMENTS & EXTRA-CURRICULAR ACTIVITIES

- Secured **1st Prize** in the School Science Exhibition, demonstrating outstanding research aptitude, analytical thinking, and effective presentation skills.
- Successfully completed Infosys Springboard certified courses in **C Programming** and **Python Programming**, reinforcing core software development fundamentals.
